Major Duties

Time In Grade

Qualifications   1) Must be a citizen of the United States. (Non-citizens may be appointed when no qualified citizens are available in accordance with regulations issued by the Under Secretary for Health or his designee). Non-citizen applications will be accepted, but proof of proper authorization to work in the United States must be submitted.
2) Must have a Degree of Doctor of Medicine or an equivalent degree resulting from a course of education in medicine or osteopathic medicine in a state, Territory, or Commonwealth of the United States, or in the District of Columbia.
3) Possess and maintain a current, full and unrestricted license to practice medicine in a State, Territory, or Commonwealth of the United States, or in the District of Columbia.
4) Board Certified or Eligible in Internal Medicine
5) Applicant must have outstanding clinical and interpersonal skills. Qualifications will be reviewed by a Professional Standards Board.
VetPro: Any registered, and certified health care providers appointed to a Veterans Health Administration Medical Center must, upon acceptance of an employment offer from Human Resources, enter their employment history, education history, and all licensure/certification/registration information through the internet-based credentialing system (VetPro). VetPro ensures the consistency of the credentialing process for all employees and provides a reliable electronic data bank of health care provider credentials. This system is used nationwide by all VHA healthcare facilities in an effort to maximize patient safety. This prerequisite must be initiated after an employment offer has been extended. Employment commencement dates will be contingent upon the completion and approval of the VetPro credentialing/verification process.
